

ONLINE CAREER PLANNING SOLUTIONS FOR LIFELONG TRANSITIONS

Our planning solutions have been specifically designed to support workforce development efforts, including increased employment, job retention, economic development, and the occupational skills improvement of clients. These programs and services have proven successful for Workforce Centers, Employment Services Offices, One-Stop Centers, Rehabilitation Centers, Corrections, and a variety of other related workforce services customers.

Funding Sources

Our industry-leading products align with numerous state and federal standards, and may qualify for purchase with a wide variety of funds. Such funds may include:

- Workforce Investment Act (WIA)
- Americans with Disabilities Act (ADA)
- Veterans Assistance Programs/Veterans Upward Bound
- Adult Basic Education (ABE) Grants
- Family Literacy Grants
- Carl D. Perkins Act (Adult Education)
- State and Local Workforce Grants
- Non-profit organization sponsorship
- Corporate and private sponsorship

Choices Planner for Career Transitions

Help your clients create personalized plans to find and retain better employment.

Choices CD Edition

Explore new options, identify transferable skills, build a portfolio and plan a job search.

Ability Profiler

Offer your clients tools for valuable insights about their personal aptitudes.

Compare, connect and choose education and career options for personalized plans

- Extend your client reach with 24/7 online access to both the adult and youth-oriented versions of the program in English and **Spanish**.
- Empower more meaningful transitions when you connect clients to their best education and career options with multiple validated assessments.
- Self-directed tools include O*NET occupational data, 16 Career Clusters, Pathways and U.S. Department of Labor SCANS to deliver a standards-based product that meets your clients' needs.
- Support economic productivity with lifelong portfolios that include career plans, work history, resume building, and assessment results, which help your clients find better jobs and keep them.
- Effectively track client progress with accountability reports that provide insight into client progress.

Explore new options, identify transferable skills, build a portfolio, and plan a job search

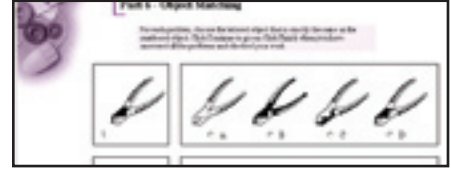

- Work with clients regardless of Internet availability, with a CD that includes some valuable Spanish content.
- Help clients identify their best education and career options using multiple validated assessments for interests, values and skills.
- Self-directed resources include O*NET occupational data, 16 Career Clusters, Pathways and U.S. Department of Labor SCANS to deliver a standards-based product that meets your clients' needs.
- Support economic productivity using work history modules, job search activities, and resume building.
- Achieve greater accountability through administrative usage and outcome-based reports.

AbilityProfiler

Discover new insights about aptitude strengths and related occupations

- Empower clients to learn about their personal aptitudes in a computer-based assessment, adapted from the latest O*NET Ability Profiler.
- Understand the relevance between aptitude scores and the world of work based on the U.S. Department of Labor's job aptitude requirements.
- Gain valuable insight with a thorough evaluation on a client's abilities in arithmetic reasoning, vocabulary, three-dimensional space, computation, name comparison, and object matching.
- Quickly improve accountability with easy-to-understand results which identify a client's potential for specific career and education options by highlighting strengths, occupational matches to strengths, and areas a client may want to expand their training.

Available only as an add-on to Choices Planner CT and Choices CD
