Knowledge is power: learn more about yourself and your future!

Here are some of the cool features you'll discover in Do What You Are:

- Based on scientific studies on personality type, your results will give you new insight into your strengths and weaknesses.
- Learn about your personal preferences for communication, learning styles, social situations and relationship strategies.
- Build career plans based on your personality. You'll see potential careers that are linked to your personal preferences in different areas.
- The comprehensive assessment gives real-life scenarios so it's easy to relate to your life.
- Finish the assessment in 30 to 45 minutes. If you run out of time, you have the option to stop and continue later.
- Help your parents understand your personality type so they can assist you with planning for your future. You have the option to share your results with a parent.
