Technical Profile

testGEAR™ Online Test Prep

BRIDGES
Explore • Plan • Achieve

For successful access to our online resources and services, review this document to ensure your site is prepared with the proper technical components. Prior to purchasing, please have your network technician or other local technical contact review this document.

- Firewall, filtering software and anti-virus software should be configured to allow access to the *".bridges.com"*" and *"testu.com"* domains
- Online test prep only uses HTTP over port 80
- Javascript and session cookies should be enabled (this is the default setting for most browsers)
- Filtering and anti-virus software needs to be configured to allow pop-ups in the *".bridges.com" and "testu.com"* domains

Platform Requirements:

Operating Systems

- Windows 95
- Windows 98
- Windows ME
- Windows NT 4.0 (with service pack 3 or higher)
- Windows 2000
- OS 9

Browsers

- Microsoft Internet Explorer version 5.0 and 5.5 (5.1 on OS9)
- Netscape Communicator 4.73 through 4.76

Plug-ins

- Flash 5 Plug-in
- Adobe Acrobat Reader 4.0

Technical Requirements:

Recommended Setup

- 17", 1024 × 768 resolution monitor with true color enabled
- Pentium II 500 MHz or higher processor
- 32 MB onboard RAM
- *Standalone Networks (Modem):* 1.4 mbs bandwidth per workstation (ADSL/Cable).
- *Shared Networks (LANs):* 100 MB or higher bandwidth to and from each client workstation with 1.4 mbs per workstation bandwidth to Internet.
- Sound card

Minimum Setup

- 15", 800 × 600 resolution monitor with 256 colors
- Pentium 100 MHz processor
- 16 MB onboard RAM
- Standalone Networks (Modem): 56 kbs bandwidth per workstation (Standard Modem).
- Shared Networks (LANs): 10 MB or higher bandwidth to and from each client workstation with a 56 kbs per workstation bandwidth to Internet.
- Sound card

Although a printer is not required, many students like to have hardcopies of the Learning Modules' printable .PDF summaries for off-line use. In addition, the summary printouts include write-on lines for students to add their own notes.
