Family Night Made Easy

Getting into college is a job big enough to involve everyone – students, parents, educators... the entire support team. So don't just hold a "college night" - Get everyone involved in FAMILY NIGHT.

Our Family Night Made Easy resource kit is totally free to you.

Take the hassle out of organizing a college information night for your students and their families. Make it the best information night your school has ever seen.

Get everything you need to hold the following breakout sessions:

- **Preparing for College**
(How to achieve higher test scores using the testGEAR online courses we have at our school)
- **Paying for College**
- **Exploring Colleges**
- **Planning for College**

To obtain your Family Night Made Easy materials from Bridges (for free) just go to: www.bridges.com/familynight
(Download this great toolkit for free, so you can get started right away!)

What's in your family night kit?
