Start Planning Now!

Here are some of the cool features you'll find in Choices Planner....

Work

- Explore almost 700 careers in the **Career Zones.**
- Use the **Career Finder** to narrow down hundreds of careers to those matching the characteristics you want.
- **Compare Careers** to one another to find out which one appeals to you the most.
- **Connect Yourself to Careers** by taking five assessments that will help you find the right career for you.

Learn

- Check out **Programs and Majors** to explore the numerous courses available.
- Search for schools by tuition range, location, programs and other factors using the **School Finder**.
- **Compare Schools** side by side to see what each has to offer that would best suit your preferences.
- Take charge of your life -- start your **High School Planning** or **College Planning** now.

Your Portfolio

- Create career and education plans quickly and easily using the **Career Plan Builder**
- Save **Your Plans** and information **All About You**, such as your skills, interests, resumes, and courses you've taken.
- Check out **Your Activities** to see which assignments and tasks you've completed and what's left to do.
- Record your ideas and questions in **Your Journal** as you figure out what to do after high school.

Search

Choices Planner's comprehensive search engine finds anything and everything you need to know about career exploration and education planning. Just type in a key word and **GO**!

Ask your counselor for more information about Choices Planner.
