eChoices Magazine

Engaging articles and interviews give you a closer look at different careers. **eChoices Magazine** lets you:

- Browse through 1,000+ career-related articles in **Career Bytes**.
- **Ask an Expert** anything you need to know about career planning, and where you can find more info.
- Obtain valuable insight about different careers with **About My Job** interviews.

Informed Choices For A Successful Future

Here are some of the great features you'll find in eChoices:

Assessments

- Take the **Interest Profiler** to discover what careers best suit your interests.
- See how your skills match up with the **Basic Skills Survey**.
- Identify your priorities in an ideal career with the **Work Importance Locator**.
- Explore new directions with the **Transferable Work Content Skills Checklist**.

Databases

- Search and compare **Occupations** and **Post-Secondary Schools**.
- Find out how your **Work History** can help to shape your work future.
- Research **Financial Aid** and scholarships.
- When you're ready, you can even **Apply Online** for college or financial aid.

Planner

Use the **Planner Modules** to organize information about yourself and start making plans. Modules include:

- High School Education Plans
- Post-Secondary Plans
- Career Goal / Occupational Plans
- Education and Training Plans
- School to career activities
- SCANS skills
- Employability skills
- Job search activities
- Resume Builder
- Interviewing

My eChoices Folder

- The **Contents** displays the assessments and databases you've used.
- You can also **Bookmark** your favorite pages.

Search

eChoices' comprehensive search engine finds anything and everything you need to know about career exploration and education planning. Just type in a key word and **GO!**

Need more information about eChoices?

Ask your counselor or for step-by-step instructions, review and print the **User Guide** found under **Teaching Tools** at www.bridges.com

Career Parent Magazine

This free weekly online magazine helps parents contribute to the career development of their children. Organized around different age categories, career experts publish weekly activities, perspectives and recommended resources for parents.
