### One Stop to Explore, Plan, Apply!

Here are some of the many great features you'll find in the eGuidanceCenter:

#### Explore your options with CX Online

- **Check Out Majors** to find what courses suit you best.
- Take the **Career Finder** to match your interests and skills to suggested careers.
- Explore over 900 unique **career articles**.
- Watch **career videos** in English or Spanish.
- **Search** anything that comes to mind.

#### Plan your career path with eChoices

- Match your work values with careers using the **Work Importance Locator**.
- Take the **Interest Profiler** to match your interests with appropriate careers.
- Find careers that link to education programs in **Occupations**.
- Make plans to achieve your career goals with the **Planner Menu**.
- Use the **Planner Modules** to build your **resume** or practice **interviewing skills**.

#### Choose the right college

- Explore your options using the **Basic College Search**, **Career College Search** or the **Technical School Search**.
- **Best College Picks** helps you to choose a college that suits your goals.
- Make use of the quick, easy and convenient **Online Applications**.

#### Prepare for college or the military

- Boost test scores with a **SAT**, **ACT**, **TOEFL** or **ASVAB** full length **Practice Exam**.
- Ask your counselor which practice exam(s) your school has access to.
- Practice test: .....
- Choose the test for which your school has registered.
- Click **Begin Test**.
- Read instructions and sample questions.
- Click **Continue** to begin the test.

#### Pay for college

- Use the **Scholarship Search** to explore the largest online database available.
- Balance tuition, resources and expenses with the **Financial Aid Calculator**.
- Fill out your **FAFSA form** – the federal government's free financial aid application.
